

**Dear Employees,**

We've made arrangements for you to work out for free this month at Washington Sports Clubs. In honor of their Corporate Appreciation Month, they've opened their doors from May 14-31 to all of our employees.

Just show your company ID to one of their membership consultants at any club and they'll give you your pass. They've also arranged to give you a generous corporate discount if you decide you'd like to become a member.

Washington Sports Clubs is the largest network of gyms in the Northeast with over 150 locations, including 19 in our area. When you join one, you join them all.

To find the location nearest our office or where you live, visit [MySportsClubs.com](http://MySportsClubs.com).
